

Dear parents,

I-Ready is a program that will help reinforce concepts that your child is learning. Miami Dade County Public Schools requires that each child **completes 45 minutes for each subject in reading and math.** Our class attends the laboratory each week to help your child meet that timely goal, but it is not enough time.

At the end of the year our school will be hosting an i-Ready carnival! Each week your child will win tickets based on their 45-minute completion on i-Ready. I have taught your child how to check their time and progress. Please see below on how you can check and help your child to make sure they are completing 45 minutes for both subjects.

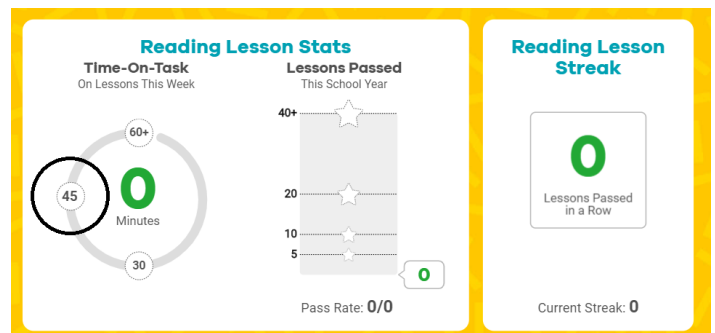

1. After logging into your child's account, You will click on a subject.

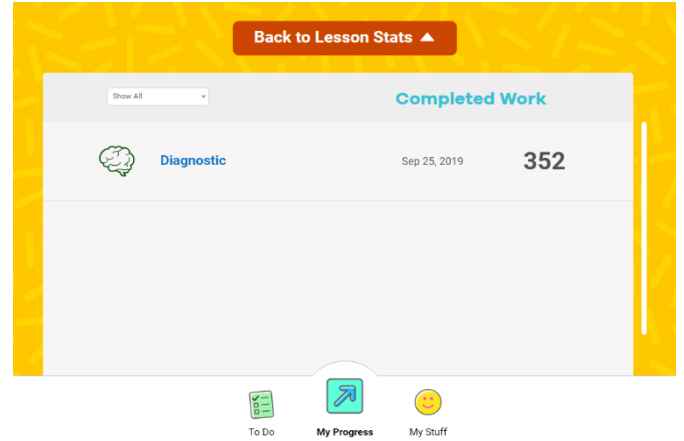

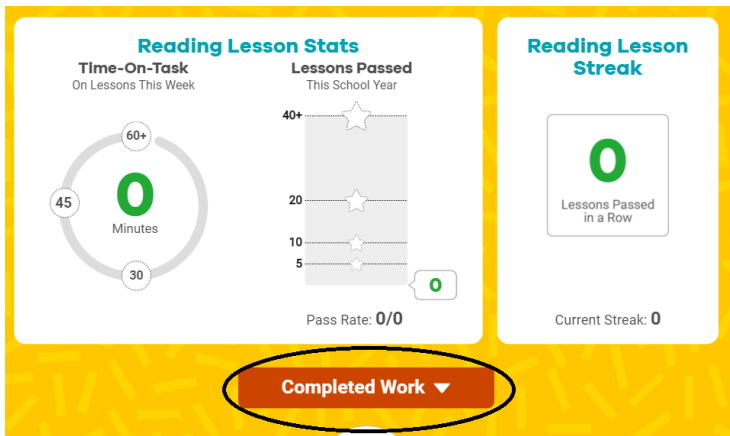

2. On the bottom of the page, click "My Progress."

3. "My Progress" will show you how many minutes your child has completed.

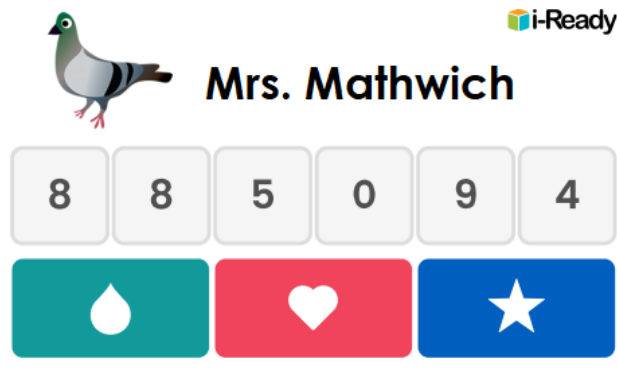

To see what your child's Diagnostic score and the lessons they have completed go to **“Completed Work.”**

English teachers will provide your child with their i-ready log-in cards!

Their card will be glued to their home learning journal.

** If your child completes 45 minutes for each subject each week, they will receive carnival tickets for each subject. I am taking count for your child. They will receive the tickets the day of the carnival. **

How to access I-ready: <https://login.i-ready.com/> or google i-ready and click on the first link

If you have any questions please feel free to contact your child's English teacher.

Thank you,
Kindergarten Team
